

ECONOMIC DEVELOPMENT COUNCIL & ADVOCACY MEMBERSHIP PACKAGES

ENHANCED ADVOCACY PACKAGE: \$5,000

BASIC ADVOCACY PACKAGE: \$3,000

Packages include membership in our exclusive Economic Development Council as well as advocacy to support your business.

What is the Economic Development Council?

The Economic Development Council (EDC) is a distinguished group of businesses and community leaders in the area. EDC members meet the first Wednesday of every month to hear a high-caliber speaker talk about a relevant policy or economic topic and to develop high level business relationships.

How can the Chamber advocate for your business?

The Chamber provides the following opportunities for your business:

- Taking positions on development projects, initiatives and laws to support your business
- Helping Chamber members navigate local, county, state and federal regulations and laws
- Monthly Government Affairs Committee which includes important policy updates and the opportunity for you to provide input on agenda items.
- Chamber members have the opportunity to participate and shape discussions regarding important business concerns.
