Dear Honorable Chair Licht and Members of the Beverly Hills Planning Commission:

The Beverly Hills Chamber of Commerce writes to you in support of Beverly Hills business Spring Place. Spring Place provides an innovative co-working space and membership club with a focus on the fashion, media and entertainment industries. The company's presence and distinguished membership provides an important amenity to the community and a certain prestige to the City.

The Chamber understands that a significant number of complaints have been lodged against Spring Place regarding activities occurring at their business. Those complaints should be evaluated and appropriate action taking accordingly.

The Chamber supports Spring Place as an important ongoing place of business and asks that you permit it to continue to operate under current regulations and any additional regulations as this Commission may deem appropriate.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Todd Johnson". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
