MOTIVATIONAL SPEAKER &  
EPILEPSY ADVOCATE**

### **BOOK DESCRIPTION:**

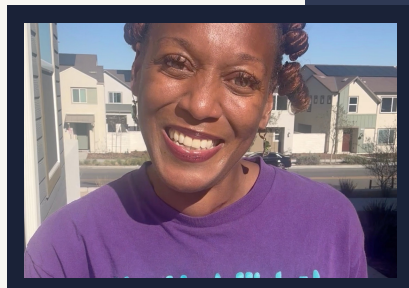

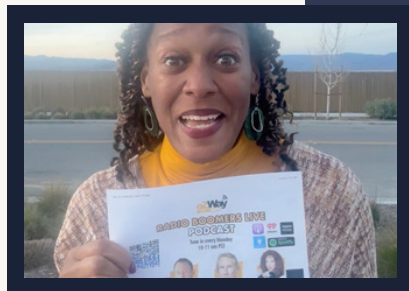

Living Free with Epilepsy was written to inspire, empower and encourage people living with seizures however, this is a book that will inspire anyone going through a tough time or trying to accomplish something big. For people living with Epilepsy, this book provides a deeper understanding of this particular health challenge and offers simple daily management of symptoms, side effects from medicine and some of the obstacles readers might encounter as they move through life.
