CANDACE NELSON

CANDACE NELSON

Founder, Sprinkles and Pizzana,
Guest Shark on Shark Tank,
New York Times Best Selling Author

Candace Nelson is a serial entrepreneur, the Founder of Sprinkles and Pizzana, Guest Shark on Shark Tank and a New York Times and Wall Street Journal bestselling author. An expert in turning a passion into a profitable business, Candace revolutionized the baking industry when she left a career in finance to start Sprinkles, the world's first cupcake bakery and Cupcake ATM. Sprinkles has since grown into one of the most successful cupcake brands ever.

Nelson followed with the launch of Pizzana, a growing chain of Michelin Bib Gourmand-awarded pizzerias leading the third wave of pizza in the US. She continues to expand her portfolio: co-founding the children's sensory learning centers Play 2 Progress and launching CN2 Ventures with her husband, Charles Nelson, to invest in early-stage consumer companies.

Candace is the author of The Wall Street Journal bestseller Sweet Success: A Simple Recipe to Turn your Passion into Profit and The New York Times bestselling The Sprinkles Baking Book. A highly sought-after speaker, Candace shares her story of turning passion into profit, the keys to leading and building a breakthrough brand, finding purpose to create a great company culture and cultivating a community of brand loyalists with audiences around the world.

She lives in Los Angeles with her husband and two sons.

JAMIE KERN LIMA

JAMIE KERN LIMA

Founder, IT Cosmetics,
Guest Teacher of The Life You Want Class
Live with Oprah, NY Times Best Selling Author

Jamie Kern Lima is the author of the upcoming book **WORTHY: How to Believe You Are Enough and Transform Your Life**, New York Times bestselling author of **Believe IT**, guest teacher of the Life You Want class live with Oprah Winfrey, and Founder of IT Cosmetics, a company she started in her living room and grew to be the largest luxury makeup brand in the country. She sold the company to L'Oréal in a billion-dollar deal and became the first female CEO of a brand in its 100+ year history.

Her love of her customers and remarkable authenticity and belief eventually landed her on the Forbes America's Richest Self-Made Women list. She's been a Denny's waitress, a struggling entrepreneur, lived a life-long journey of rejections, and has battled her way through years of self-doubt, body-doubt and God-doubt. She was given away at birth and adopted and has been on a journey of learning to believe she's here with purpose, on purpose, and for a purpose and is worthy, lovable, and enough.

She's a mother of two and an active investor, speaker, and thought leader who is passionate about inspiring and elevating women. She's also an active philanthropist who has funded leadership training in more than 100 prisons and shelters across the United States, and has donated over \$40 million in product and funds to help women face the effects of cancer with confidence. She's donating 100% of her author proceeds for both **WORTHY** and **Believe IT**.
